20TH NATIONAL WOMEN'S SOCCER

CHAMPIONSHIPS 1993

PRESIDENTS MESSAGE

I am very pleased to be able to provide this forward for the 1993 National Open Championships hosted by the Western Australian Women's Soccer Association.

This is a most exciting time for soccer in Australia with the recent success of the World Youth Cup (Men's), the possibility of women's soccer being included in the Atlanta Olympic Games and our recent success in winning the Dana Cup. Many of the players at this carnival will be assisting in future growth through National Team participation. I also expect the future to be highlighted by a growing co-operation between the AWSA and the ASF and between men's and women's associations in the States.

I would like to congratulate all players who have been selected to play for their State and wish teams and individuals the very best for the carnival. However, while players should rightly remain the focus for this week, it would be remiss of me not to mention the very large number of other people necessary to enable this carnival to proceed. Game officials, coaching and other support staff, State Associations and volunteers remain vital to the development of women's soccer. Thank you one and all. Finally, my sincere thanks to the Western Australian Women's Soccer Association for hosting the carnival on behalf of the AWSA.

In particular, Kerry Smith and the organising committee will have spent many hours in preparing for this carnival. I fully expect that they will feel well compensated by the quality of football, competitive sport and camaraderie of players throughout the week.

Please accept my very best wishes for a great tournament.

Dennis O'Brien
President

**20TH NATIONAL WOMEN'S SOCCER
CHAMPIONSHIPS 1993**

From The Executive Director

**AWSA NATIONAL WOMEN'S SENIOR CHAMPIONSHIPS 1993
NATIONAL EXECUTIVE DIRECTOR'S MESSAGE**

The AWSA kicked off the National Championships 20 years ago with five teams participating. Fittingly, one of those teams was Western Australia, who are hosting this year's 20th Anniversary Championships.

Much has happened to women's soccer in the past 20 years with opportunities for players to play overseas, the establishment of a World Cup competition and the introduction of women's soccer into the World University Games and (hopefully) the Olympic Games. This international recognition is now being coupled with local programs introducing academy structures and developmental assistance.

Reigning Champions, Victoria, will be facing a difficult task to retain the Championship Trophy. Indications from last year's results are that this year's competition will be an extremely close fought contest. The mixture of youth and experience being introduced by many of the States, augers well for the ongoing development of these teams.

The Western Australian Committee are to be congratulated for their efforts in organising these Championships at their "home base", here at Gibbney Reserve. Good luck to all players and officials for an enjoyable and rewarding tournament.

Paul Turner
National Executive Director

20TH NATIONAL WOMEN'S SOCCER

CHAMPIONSHIPS 1993

From The Host President

Welcome to W.A., Welcome to Gibbney Reserve.

Welcome to the TWENTIETH NATIONAL OPEN AGE CHAMPIONSHIP.

It gives myself and my committee great pleasure to play host for this event in this special year.

Womens soccer has come a long way in W.A. in the last two years and testament to this is the growth in the numbers of senior teams playing in the competition from eleven in 1991 to twenty two in 1993. Indications for next year suggest that we will have further growth of four or five teams. This would bring the number of women participants to an all time high.

Now the committee of the WAWSA have the chance to reward the players and their supporters the opportunity to witness the best Australia has to offer in women soccer players in action. It will give our new young players something to aspire to and our own state representatives a chance to show off to a home crowd. I'd like to thank the Australian Womens Soccer Association for giving us this opportunity.

The committee are particularly proud of obtaining the leasehold of GIBBNEY RESERVE, as our Association playing headquarters, and we are going to enjoy sharing it with you this week.

My sincere thanks go to the hard working committee that have put this championship together. I know that if success could be measured by effort then this would be one great championship.

My thanks also go to the many helpers involved and to our championship sponsors.

On behalf of the Association I wish you all a successful injury free tournament and hope you have a chance to enjoy our beautiful state while you are here.

Janette Spencer

CHAMPIONSHIP RULES

1. The Australian Championships are open to teams representing single State Associations with which are affiliated with the AWSA.
2. All players taking part in this tournament must be registered as players by 31 August with Associations affiliated to the State Association they represent. In the case of underage titles, players must be of the stipulated age at 1 August in the year of competition, 15 years and under for Junior and 18 years and under for Youth.
3. This tournament adopts the Laws of the Game as contained in the Referees Chart and Players Guide to the Laws of the Game (current edition) as published by the Football Association (England) and as modified by these Playing Rules.
4. A size 5 ball shall be used in all games.
5. Duration of games shall be 2 x 35 minute halves, with a half time period of no less than 5 minutes and no more than 10 minutes. Starting times for matches on all days should be scheduled at least 90 minutes apart. Injury time may be allowed at the referee's discretion.
6. Teams will consist of no more than 18 players and 4 officials.
7. Three substitutes may be used at any time during the game.
8. Should a team bring 18 players to a championship then they will be allowed to list 7 reserves on the team sheet but only 3 of whom may be used in any one game.
9. Each participating State Association is required, wherever possible, to have a second strip in case of colour clash.
10. Should there be a colour clash then the AWAY team will be required to change their strip.
11. Points shall be awarded on the following basis: win (2), draw (1) and loss (0).
12. Each team will play in accordance with the approved championship format and keys (as detailed in the Regulations).
13. If only 4 teams participate in a championship, then the leaders at the end of the first round robin will be declared winners of the Association Trophy, and the leaders at the end of both round robins shall be declared Champions. The game on Day 7 shall be a feature game only - ie Select 11 v Invitational 11 or similar.
14. In championships where 5 or more teams compete, then the leading team after Day 6 will receive the Association Trophy and the game on Day 7 will be played between the 2 teams leading the points table to decide the Championship.

Should the number of wins be equal then the team which has scored the most goals will be placed higher. If goals scored are equal, they will be declared joint placegetters.
- 16b. In the event that two teams are absolutely equal in second place at the end of the preliminary rounds, these teams will compete in a playoff match at a mutually agreed time before the scheduled Final. The playoff will consist of 2 x 20 minute halves with penalty kicks to determine the winner if the score is drawn at full time.
